Description

This very large property is set in 5000m of stunning scenery. The plot extends on different levels across the hills of Cantoria leaving ample space for a pool, garage and other out buildings. Currently under construction will be made available with fitted kitchen and bathrooms, pre-installation of air-con and heating, perimeter walls and gated entrance. Steps lead to a large covered entrance porch which takes us into a very large lounge/diner. From here we gain access to the kitchen with additional utility room and the three bedrooms, one en-suite, and the family bathroom.

The back door leads out on to a rear terrace with an adjoining carport. An excellent time to buy giving you the opportunity to add those personal touches to really make this your dream home in the sun.
